### **Overlook Drive Preservation Alliance**

Homeowners United to Maintain the Quality of Life in Our Neighborhoods

Mayor Gene Winstead City Hall 1800 West Old Shakopee Road Bloomington, MN 55431 August 12, 2014

Dear Mayor Winstead,

Hundreds of residents in the neighborhoods around Overlook Drive have united in protest over the City's plan to connect east Overlook Drive to west Overlook Drive to accommodate a new development on the Dwan property. We welcome the development – but strongly oppose the connection.

Turning this calm, quiet residential street into yet another busy route to 35W would greatly change the essential character of our neighborhoods, this goes against the very criteria on which Bloomington's ordinances are built.

Beginning with the advice of State Representative Ann Lenczewski, we formed a committee to represent our neighbors. We met with the developer Peter Jarvis, city planners Dennis Fields and Londell Pease, and traffic expert Kirk Roberts at City Hall.

We are now writing to inform you of our concern and let you know there is another viable option to consider. After understanding the City's concerns more fully, the Task Force has attached an alternative option which shows a cul-de-sac would provide the following:

- a. Retain the peaceful, safe, and essential character of our neighborhoods.
- b. Increase emergency vehicle maneuverability by adding a turnaround, even though after 60+ years emergency vehicle access or maneuverability has not been an issue.
- c. Ensure the continued serenity enjoyed by the hundreds of families and visitors who use these streets to relax, exercise, and view wild life.
- d. Maintain property values and the current tax basis on which the city depends.
- e. Allow the City to maintain its promise in 2008 to not connect east and west Overlook Drive.

All it would require is a single variance - The type which the City Council has allowed in numerous areas throughout Bloomington.

Please review these documents carefully. We feel very strongly the proposed through-road is unnecessary, unsafe, and unwelcome. The 1000+ Bloomington residents in the affected neighborhoods have signed their agreement to maintain the essential character of our neighborhoods.

We are very determined to stop the through road and welcome your support of a cul-de-sac option.

Sincerely,

The Task Force representing the Overlook Drive Preservation Alliance - David and Kay Teslow, David Schutten, Dave and Betty Erickson, Dana Carlson, TJ Stommes, Chuck Wanous, John Martin, Patrick Skelton, Nancy Marihart, and Tony Schoenecker

RE: Dwan Bluff Matter

Dear Mayor Winstead:

This firm is working with the Overlook Drive Preservation Alliance regarding its opposition to connecting East Overlook Drive and West Overlook Drive. It is our understanding that developer Peter Jarvis of Jarvis Company, LLC has proposed connecting the two roads to comply with city ordinances in developing the Dwan property located at 3325, 3401 and 3501 Overlook Drive. While our client welcomes the development, it strongly opposes connecting Overlook Drive. It is our understanding that Mr. Jarvis is open-minded to an alternative plan that does not connect the two streets, but is merely trying to comply with existing city ordinances (namely Ordinance 22.09(c)(7) which prohibits dead-end streets longer than 600-feet). This is a situation where the city must grant and even advocate for a variance, as it has many times before, to preserve the safety, peace and tranquility, not to mention property tax base, of the Overlook Drive neighborhoods.

Our client has done its homework and has prepared a very thoughtful memorandum about the neighborhood, the likely impact of the proposed connection, public safety concerns and the use of such variances elsewhere in the city. Please take the time to review this memorandum. We are asking that you consider these neighborhoods, and advocate using a variance for this development to enable Mr. Jarvis to develop the Dwan property without connecting Overlook Drive.

Mayor Gene Winstead August 11, 2014 Page 2

We appreciate your consideration of this matter and look forwarding to discussing this situation with you at your earliest convenience as a planning commission public hearing is scheduled for August 21<sup>st</sup> with assigned City Planner Dennis Fields.

Sincerely,

Stephen W. Hance

### Overlook Drive - The Cul-De-Sac Option

Proposed By: Overlook Drive Preservation Alliance - Homeowners United to Maintain the Quality of Life and Safety in Our Neighborhoods

### Overview:

Existing Conditions: Overlook Drive off Xerxes Ave South is an existing 1,295 ft dead-end. Proposed Cul-De-Sac Option: Extend the existing dead-end an additional 425 ft into the new development and add a turn-around for emergency vehicles, refer to the Cul-De-Sac Option (attached). This modification will require a variance to the City of Bloomington Ordinance 22.09(c)(7) which states, "When dead-end streets are required, they must be no longer than 600 feet and have a right-of-way radius of no less than 60 feet. Cul-de-sacs longer than 300 feet must have a mid-block turnaround." This variance is requested to maintain safety and security within the neighborhood, in lieu of turning Overlook Drive into a through street which would alter the essential character of the locality.

### The Connection of East and West Overlook is not on the Comprehensive Plan:

In 2004 there was a petition to remove the connection of east and west Overlook Drive from the master plan. Many residents signed this petition including Eunice Dwan. This desire is stated in the attached letter from Eunice Dwan dated July 13, 2004. It was never the desire of the Dwans to connect these two ends of Overlook Drive. In a meeting on September 20<sup>th</sup> 2004 with City Manager Mark Bernhardson and Community Facilities Director Jim Truax, it was stated the City was in agreement the road extension was not needed. In 2004 east Overlook was paved and curbed, and the residents were assessed. The City provided a 26 ft wide street, less the minimum 32 ft width required for a through street as assurance the two ends of Overlook would not be connected. Subsequently on May 12, 2008 in regards to the Transportation Element of the Comprehensive Plan, the City Council stated in the attached meeting minutes "Make Overlook connection between France and Xerxes go away." The connection has since then been removed from the Comprehensive Plan.

### Traffic Safety:

Providing a through street will substantially increase the traffic through this residential neighborhood by creating a thoroughfare to 35W, and reduce the safety of the residents who live there. A through street goes against the very criteria of which a variance is reviewed under in Bloomington Ordinance 2.98.01(b)(2)(C)(iii) which states, the change will not alter the essential character of the locality. In order to maintain the same level of safety, it is proposed the existing dead-end be extended and a culde-sac be added. The use of cul-de-sacs has shown to reduce the amount of car traffic on residential streets within neighborhoods, thus reducing noise, air pollution and the probability of accidents. This has been well documented in Ben-Joseph, Eran "Livability and Safety of Suburban Street Patterns: A Comparative Study" 1995 and in Lovegrove, Gordon "Using Macrolevel Collision Prediction Models in Road Safety Planning Applications" 2006 Transportation Research Record: Journal of the Transportation Research Board. Both studies confirm a substantially lower collision rate for street networks based on the cul-de-sac street type.

### Lower Crime Rate:

Maintaining the existing cul-de-sac will help maintain a low crime rate, as documented in Sorensen, Severin, "Crime Prevention Through Environmental Design" 2000. In most cases the people who traverse the cul-de-sac either live there or are guests of those who do. This increases natural surveillance and sense of ownership as a means of fostering security in a neighborhood. These in addition to lower traffic flows with a single escape route make these neighborhoods less desirable to criminals.

### Maintain Current Property Values and Tax Base for the City:

Many of the homeowners were concerned how a through street and an increase in traffic flow would affect their property values. In speaking with several real estate agents and land developers, a common thread was heard through these many conversations.

- When given an option, the majority of people purchasing homes would prefer to live on a culde-sac. Therefore by providing the cul-de-sac option, this maintains the resale effectiveness of the homeowners along east and west Overlook Drive.
- Throughout the years, people purchasing homes on cul-de-sacs have paid up to a 20-30% premium in comparison to the same homes on a through street. Providing a cul-de-sac maintains the property values of homes along east and west Overlook Drive, and subsequently maintains the same tax base the schools rely upon.
- The 13 new homes provided as part of this development would see a modest increase in value if built upon a cul-de-sac. This results in an additional tax base for the City of Bloomington.

### Fire Safety:

Fire Safety is important to the homeowners who live on this dead-end, and therefore this variance needs to comply with the adopted fire code. Per City of Bloomington Ordinance 6.20, the city has adopted the 2006 International Fire Code (IFC) with State of Minnesota Amendments.

- Per IFC section 503.2.1, "Fire apparatus access roads shall have an unobstructed width of not less than 20 feet." Currently the dead-end road is 26 ft wide; it is proposed No Parking signs be added along one side of the dead-end to ensure emergency access.
- Per IFC section 503.2.5, "Dead-end fire apparatus access roads in excess of 150 feet in length shall be provided with an approved area for turning around fire apparatus." Currently the deadend has a turn-around (commonly used by snow removal and garbage trucks); however it is proposed a cul-de-sac be added as part of the dead-end extension to allow ease of turning.
- Although two means of entry into a housing development are not required by the IFC, it is
  understood two entries are preferred by some fire department personnel. However in a deadend such as this, the need for two means of access is not supported by the "most probable
  worst case" event. The simultaneous occurrence of a vehicle accident blocking the dead-end
  road to a house fire is an unrealistic assumption. This point is further supported by the studies
  noted above demonstrating cul-de-sacs have far less traffic accidents then through streets. In

- speaking with emergency responders, it is not uncommon for an emergency vehicle to hop a curb or use a bike path to circumvent an obstruction in the road.
- Additionally it is noted a through street would not increase the response time of the fire department or route taken to the homes along the existing dead-end road.

### **Emergency Vehicle Access:**

Access for all emergency vehicles to this cul-de-sac is another important concern with homeowners, and therefore we had discussions with several emergency responders including John Martin from the Bloomington Police Department.

- When asked if cul-de-sacs disallow effective staging of emergency vehicles during an event, emergency responders indicated it is not out of the ordinary for emergency vehicles to stage outside a cul-de-sac and enter as needed to address the situation.
- When asked if addressing street segments with the same name which are not connected create
  response issues or increase response times, emergency responders indicated the CAD
  (Computer Aided Dispatch) system can be programmed to automatically tell the dispatcher to
  enter Overlook Drive from Xerxes or France depending on the address. Additionally in 2016 the
  Bloomington CAD system will be upgrade to include mapping to further mitigate this concern.
- Additionally it is noted the cul-de-sac option attached includes a bike bath wide enough for an
  emergency vehicle. Such that in the event an emergency vehicle ended up on the wrong side of
  overlook, they could utilize the bike path. This concept has already been successfully
  implemented on the 900 ft deadend at 105<sup>th</sup> Circle East.

### Not an Unusual Variance:

It is not an unusual variance or existing condition in Bloomington for a dead-end road to exceed 600 ft or cul-de-sac to exceed 300 ft. As shown in the attached, when reviewing dead-end roads and cul-de-sacs south of Old Shakopee Road, it was found there are currently 16 dead-end roads and 26 cul-de-sacs which are not in compliance Bloomington Ordinance 22.09(c)(7). Additionally the proposed variance to extend the existing dead-end road to 1,720 ft is not out-of-line with other dead-end roads currently found in Bloomington.

- Palmer Road 1600 ft
- Hampshire Ave South 1,550 ft
- Lyndale Ave South 2,750 ft
- Walton Oaks Drive 1,550 ft
- Oakmere Road 1,350 ft
- Rhode Island Circle 1,450 ft
- Telegraph Road 2,000 ft

### Other City Agendas are being Earmarked with this Property Development:

In order to develop the property, the City has told the Developer to either provide a through street or provide a cul-de-sac for both East Overlook and West Overlook Drive. The only street affected by this development should be the street to which it is connected. Forcing the Developer to address unrelated adjacent properties on the City's agenda creates unreasonable financial hardship, which is not required when a reasonable solution exists to access the development.

### Not a New Condition:

It is important to keep in mind; this is an existing 1,295 ft dead-end which has been here for over 60 years. This variance is not proposing to block off an existing through street, thereby creating a dead-end. What is proposed is extending an already existing dead-end condition, and adding a turn around to make it safer without altering the essential character of the locality.

### Bloomington Residents Support the Cul-De-Sac Option

There have been over 900 signatures of Bloomington residents collected door to door in opposition of the through road and in support of the cul-de-sac option. Additionally there have been over 190 online signatures from Bloomington residents (folks we couldn't catch at home) and over 274 additional supporters who feel the cul-de-sac option is the right thing to do. Attached are the petitions from those in support of a cul-de-sac option, in addition to comments from residents expressing their concern.

### Eunice Dwan 3401 Overlook Drive Bloomington, MN 55431

July 13, 2004

The Honorable Gene Winstead, Mayor City of Bloomington 1800 W. Old Shakopee Road Bloomington, MN 55431

Dear Mayor Winstead:

I reside at 3401 Overlook Drive, Bloomington on land adjacent to the south border of the Dwan Golf Course. I am the widow of Paul F. Dwan who donated the land for the Dwan Golf Course to the City of Bloomington many years ago.

At the present time Overlook Drive ends at my driveway. I was recently visited by two of my neighbors on Overlook Drive, Dale Simonson and David Teslow. My neighbors informed me that the City of Bloomington is considering the extension of Overlook Drive from the area of my driveway westerly across my property to connect with France Avenue and presented me a Petition in opposition to the extension. I am opposed to that proposed extension of Overlook Drive and I signed the Petition.

I have now had an opportunity to discuss the Petition with my legal counsel, Terence N. Doyle, who is also a trustee of my trust which is the legal owner of the property. He advised me that paragraph 3 of the Petition states that "Any available land from the Dwan estate can better be used to expand the Dwan Golf Course." We do not know the significance of this paragraph, but Mr Doyle advised me that I should specifically inform you that I do not endorse Paragraph 3 of the Petition and you should not consider anything in the Petition as consideration for or as a promise of any kind in return for your decision on the subject of the proposed westerly extension of Overlook Drive described in the Petition.

Very truly yours,

Etinice Dwan

.cc:

Dale Simonson David Teslow Dale A. Simonson, Sr. 2815 Overlook Drive Bloomington, MN 55431 (952-881-5975)

October 8, 2004

To Overlook Drive Neighbors:

Many of you signed a petition this summer, asking the City of Bloomington to remove from the city's master plan the extension of Overlook Drive past the south end of Dwan Golf Course, and to work to expand the golf course instead. This note is to bring you up to date on subsequent developments.

After I discussed the matter with Shelly Peterson, the city engineer, she arranged a meeting on September 20th. Attending were Ms. Peterson; city manager Mark Bernhardson; community facilities director Jim Truax; Dave Teslow (a neighbor who has helped with this effort) and myself. Dave and I presented copies of the petition, and stressed that it reflected the consensus wishes of the residents along Overlook Drive.

Although Mr. Truax had earlier told me that his department, which favors expansion of the golf course, was in disagreement with engineering, which favored keeping the road extension on the master plan, they were now all in agreement that the road extension is not needed, and that an expansion of the golf course is desirable. For reasons of complex state road funding formulas, the extension will remain on the master plan for the time being.

Dave and I came away with the clear impression that the city will work toward an expansion of the golf course, and that the road will not be extended. This is reinforced by the unusually narrow street built when Overlook Drive was recently improved from Xerxes Avenue west to its terminus at the Dwan driveway.

Although the position of the city officials has been favorably clarified, keep in mind that the property needed for the golf course expansion is privately owned, and that neither family members nor their advisors have publicly indicated any position or timing on what they see as the future use of the Dwan property.

Thank you to all who signed the petition, and especially to those who took it around for signatures.

Sincerely,

Dale Simonson

cc: Terence N. Doyle, Esq.

### City Council Meeting APPROVED MINUTES

Study Meeting #15 Monday, May 12, 2008, 7:00 p.m. Bloomington Civic Plaza 1800 West Old Shakopee Road Bloomington, Minnesota 55431-3027

Call to Order

Mayor Gene Winstead called the meeting to order at 7:04 p.m.

Roll Call

Present: Mayor Winstead, Councilmembers R. Axtell, S. Elkins, A. Grady, K. Nordstrom, S. Peterson, and V. Wilcox.

Awarded a Contract to Eureka Construction, Inc. ITEM 3.1

Motion was made by Wilcox, seconded by Nordstrom, and all voting aye, to award a contract to Eureka Construction, Inc. in the amount of \$913,677.55 for the 2008-301 Street Improvement Project involving East Old Shakopee Road and 28<sup>th</sup> Avenue. This project was identified in the development of the plan for the 28<sup>th</sup> Avenue Station Light Rail Transit (LRT) Park and Ride Facility scheduled to open in July of 2008.

Funding for the project will be by Metro Transit per a previous agreement (\$750,000), Port Authority Capital Improvement Fund 435, and Utility Fund 520. The Engineer's estimate for this project was \$1,220,480.65.

Approved Minutes ITEM 3.2

Motion was made by Wilcox, seconded by Nordstrom, and all voting aye, to approve the December 3, 2007, Truth in Taxation public hearing minutes as presented.

### STUDY ITEM #1 – Comprehensive Plan Update

- Transportation Element Glen Markegard, Senior Planner and Chad Smith, Traffic & Transportation Engineer provided an update on the Transportation Element of the Comprehensive Plan. The update was provided to Council for information and input. Following are the presentation highlights and Council's feedback:

### Transportation Element

- Schedule
- Comp Plan Update Approach
- Comp Plan Elements
- Mission Statement
- > Transportation Goals
- Priorities for Regional Roadway Improvements Is it good to include ranked priorities in the Comp Plan and is this the correct priority ranking? Should they be ranked x or y instead?
- Proposed Roadway Improvements map with numbers corresponding to an appendix which describes the project in more detail.
- Planned Streets to Remove
- Key Transit Recommendations

### Council provided the following feedback:

- Add something about choices in transportation modes.
- List the road improvement priorities as bullets rather than as a numbered list.
- Should Normandale or Old Shakopee Road be mentioned?
- Add transit facilities to #4.
- Every interchange along I-35W needs improvement.
- Make the Overlook connection between France & Xerxes go away.
- Nord Avenue Bridge carry it forward.
- Remove #48 Fremont.
- Leave #74 in for now connection from 28th Avenue to 86th Street.
- Add on Old Shakopee Road and Xerxes between 106th Street & Old Shakopee Road.
- #80 should be a higher priority it's a problematic intersection.

In review of streets south of Old Shakopee Road In Bloomington, the following are in violation of Bloomington Ordinance 22.03(c)(7) which states, "When dead-end streets are required, they must be no longer than 600 feet and have a right-of-way radius of no less than 60 feet. Cul -de -sacs longer than 300 feet must have a mid-block turnaround."

Katherine Teslow	Bloomington, MN	2014-07-19	To preserve the tranquility, the safety, and the beauty of the area
Dale Erlandson	New Prague, MN	2014-07-19	We bought this property, which has a driveway entrance from France Ave. and from Overlook Drive, because it was a quiet, peaceful and private street that would be safer for our kids and grandkids. We love it the way it is and would hate a through street. One of the biggest reasons we bought it was that it was on a dead end street. We also feel that it would lower our property value greatly! If we wanted to live on a busy thoroughfare, we would have bought on a thoroughfare. If the city allows this, I don't think they are really thinking about the welfare, safety of our kids, or the wishes of it's taxpayers, and I think it would be selfish of the city to allow this to happenOf course if the city council members or whoever makes the decision about our future, put themselves in our shoes, I would bet that this wouldn't go through. So I hope that they think about how they would feel if this were to happen to them, and then decide this in the favor of the families that reside in this neighborhood. Please leave our neighborhood as it is!!!!!!
patrick skelton	blaomington, MN	2014-07-19	The peace and quiet of the area as well as the park like setting of the streets would be lost forever, and this would be a great loss to the community.
Al & Lila Netten	Bloomington, MN	2014-07-21	For the reasons listed on the petition.
Michael mulligan	bloomington, MN	2014-07-21	When we moved into our home 38 years ago, we did so because we loved the City of Bloomington. So we spent much time looking for a beautiful, serene neighborhood and found it on Overlook Drive. Every City needs places that are peaceful and beautiful. It would be a shame to ruin this marvelous area.
TJ Stommes	Bloomington, MN	2014-07-21	This is extremely important to us as we moved to get away from traffic. I called the city myself and asked about potential plans and no one mentioned it going through. I am disappointed and feel mislead. I do not believe that making the road go through will help increase the response time to emergency calls as I have worked in transportation for many years and think that the road going through is a wash. If it's the station on 106th that is responding to the area, the travel time is no more than 30 seconds being saved. Plus, our property values will take a significant hit as well as the safety of my children and the animals in our backyards.
steven maerz	st.louis park, MN	2014-07-23	grew up in the area wouldnt like the change
Shaee Klement	New Prague, MN	2014-07-23	I grew up one street away from Overlook and used it very frequently as a child and didn't have to worry about much traffic when riding my bike or roller blading. There is no need for another route to 35w. The ones that are there are just fine and not that busy.
Andrea Brockmeier	Bloomington, MN	2014-07-23	The expansion of Overlook means destruction of wildlife habitat! The expanion of Overlook would mean noisy traffic! I moved her for the quiet and natural beauty of the area. Keep it quiet, beautiful, and safe. That is what's best for our community and that is what's best for Bloomington!
Laura Ellis	Clinton, OK	2014-07-23	I grew up around there. And I think that it's a horrible idea. Overlook drive is a nice quiet area. Don't ruin it.
Zachary Ballinger	Shakopee, MN	2014-07-23	Parents house is on overlook and it doesn't need anymore traffic
Kristi Ellison	Bloomington, MN	2014-07-23	That area holds a special place in my heart growing up. It is, and should remain, a peaceful neighborhood. It goes right next to Dwan Golf course, and should stay separate!

	Name	Location	Date	Comment
	Deb Koeppl	Blaomington, MN	2014-07-23	I've lived in this neighborhood for over 40 years, mainly because of the low volume of traffic and associated issues stated in the petition. I urge Mayor Winstead and the City Councilmembers to not discount the signatures from people outside the area. Friends and extended family who visit our homes will also be affected and are supporting us to keep gatherings safe and enjoyable.
	Nicole Wallace	Bloomington, MN	2014-07-23	We chose to live and raise our young children in this neighborhood largely because of it's quiet, tranquil environment. Connecting the two sides of overlook would eliminate that peaceful serenity and would compromise our children's safety.
	Janice Bismarck	Bloomington, MN	2014-07-23	I live close to Overlook Drive.
	Donel Convy	Bloomington, MN	2014-07-23	we don't want increased traffic and noise and effect the current cul-de-sac.
	Jacki Dunt	Shakopee, MN	2014-07-23	my twin deaf sister lives right there
	Jessica Convy	Bloomington, MN	2014-07-23	We live here for the tranquility and quiet. Don't need everyone driving through and ruining our peaceful neighborhood.
	Nomi Chial	PRIOR LAKE, MN	2014-07-24	My brother lives on Overlook with many grandkids visits
	David Dikken	Bloomington, MN	2014-07-24	Dear Mayor Winstead, As a 13 year resident of the dead end portion of Overlook Dr. extending east of France Ave, I will be sadly disappointed in our representative city government if this street is made a thoroughfare. My family specifically chose to purchase on this street because of the safety of raising a family on a dead end/cul du sac street. Daily I see children walking down the street en route to the bus stop or even playing. That the city planner considers a thru street a safety Improvement is sorely lacking in judgment and reeks of "we are the government we know best for you." If this is not the position, then it bodes even worse for us as it is rather a financial gain for the city somehow and this at the expense of the safety of our children. As a leader of company, I am held responsible to clients, employees and shareholders. In your case I truly hope you take a true leadership stance and choose to serve your constituents, rather than dictate in accordance with your city planner and the developer. Respectfully submitted, with the hope of being heard, David Dikken
:	Bethany Dikken	Bloomington, MN	2014-07-24	I grew up on this dead end and being able to play games in the street was a fantastic feature of the neighborhood. It really made my street seem like an alive and friendly community. We've played broomball in the winter and shot hoops in the summers. Making this road a thoroughfare destroys that feature.
	Joe Moore	Bloomington, MN	2014-07-24	Not only do I live in the area, but I sell real estate in the area. Connecting Overlook would hurt property values and flood the area with traffic looking to shed a minute or two off their drive time. There are significant safety concerns associated with this plan. This is a quiet neighborhood road filled with children and wildlife and disrupting it would be foolish attempt to deal with a growing interstate traffic problem.
	dan Ryan	bloomington, MN	2014-07-24	I am VERY OPPOSED to increasing the traffic on Overlood Dr.
	Pat Hogan	Bloomington, MN	2014-07-24	Moved here to be in quiet neighborhood
	Lisa Ballinger	Bloomington, MN	2014-07-24	Keep Overlook the way it is. It is a nice street for everyone to enjoy.  Bloomington doesn't need more streets. Bloomington doesn't need to spend more money to keep up with the roads. I like the peace we have on Overlook now. I'm sure the folks whose homes are worth quite a lot will not like their property values to go down. And the houses that are secluded would like to keep it that way. Please leave it the way it is.

.

Name	Location	Date	Comment
Amanda Jordahl	Bloomington, MN	2014-07-24	Our cousins moved there to have a safe neighborhood for their 2 little children, changing this to a thoroughfare would be unacceptable.
Karla Findley	Bloomington, MN	2014-07-24	I am opposed to increasing the traffic on Overlook Drive!!!!!
Carol Manussier	Bloomington, MN	2014-07-24	Dr. Dwan never wanted the road through
Michael Bruce	bloomington, MN	2014-07-25	This is where I bike and run it is a safe place to do these activities. If the road was busier, it would not be as safe.
Jenifer Gaudreau	Isanti, MN	2014-07-25	I grew up in that area, and always appreciated the wildlife and rural feel.
Dorene Fier-Tucker	Minneapolis, MN	2014-07-25	Bloomington needs to preserve the neighborhoods rather than letting developers dictate. We don't have to fill every nook and cranny to capacity.  Listen to the residents that live here!
Christi Luhring	Bloomington, MN	2014-07-25	I like knowing that if anyone drives past my house they live in the neighborhod or their lost. I have had a couple people stop and ask for directions! To have a thoroughfare would create more traffic and possible make it unsafe.
Julie Osmonson	Bloomington, MN	2014-07-25	People already drive like they're nuts on that road, don't make it worse!
Ann McGuire	Bloomington, MN	2014-07-25	I have friends in this neighborhood. I agree with the reasons listed in the petition.
Andrea McGauley	Bloomington, MN	2014-07-25	Every city needs a long-range plan that addresses how its acreage is to be used for the common good. Dedicated space for retail developments (like MOA), industrial/commercial enterprises, developments, housing, schools, and entertainment are highly important, but so is
Pamela Leafblad	Bloomington, MN	2014-07-25	This is a beautiful street in Bloomington. Our little grandchildren live on this street. When our daughter bought this house, it was because of the peacefulness of the neighborhood. Put this through and that peacefulness will be gone, not to mention their safety, and property values!!! This is a horrible idea!
Jenny Kuklok	Bloamington, MN	2014-07-25	families, runners, cyclists and more choose this road for its quiet beauty. Don't ruin it.
Linda Dugan	Bioomington, MN	2014-07-25	My grandchildren live a block away and I care about their safety. Homeowners moved here because of its quiet location and they deserve better. I am a 30+ year resident of Bloomington. This is a horrible idea.
Katie Schmidt	Minneapolis, MN	2014-07-25	Considering changing this road in this way is ridiculous. This road is strictly residential, unlike every other road that leads to 35W. Making this a through street would cause so many issues on an already busy enough street. The speed limit is 30 mph and as a stay at home mom, who sees the traffic all day long, I can assure you than the average speed is most definitely NOT 30 mph, but more like 40-50 mph. An increase in traffic would only increase the likelihood of accidents and a complete disruption to the lives of hundreds whose driveways face Overlook Drive.
Lisa Bukhart	Bloomington, MN	2014-07-25	Not sure why anyone would want Overlook to be a through street. If Overlook Drive to the east of the golf course could be extended and have a cul-de-sac further west and the western part of Overlook could be extended and have one further east that seems like a good solution. What is the perceived benefit to having a through street according to the developer/city? Why would people buying homes on the bluff in that area even want a through street? Wouldn't home values of any new homes being built be significantly higher if streets are not through-ways? A through street seems like a terrible idea in that location. I love biking with my kids back along Overlook because there is not much traffic and it's peaceful.

Name	Location	Date	Comment
Paul Ericson	Bloomington, MN	2014-07-25	We already have Old Shakopee Road to get back and forth across the south end of Bloomington. Keep the residential feel of the neighborhood.
TAMMY FERGUSON	BLOOMINGTON, MN	2014-07-25	l like my peaceful neighborhood!!
Kate Martin	Bloomington, MN	2014-07-26	Connecting these two streets would be a major disruption and disturbance in this calm, peaceful, nature-filled corner of Bloomington.  The connected streets would quickly become another alternate route for people cutting through Bloomington to get to 35W, making it unsafe for the many, many walkers, runners and bicycle riders who enjoy the beauty and safety of these quiet streets.  The additional traffic would also deter the abundant wildlife that residents in this area enjoy.
Richard Fink	Bloomington, MN	2014-07-26	I walk and bike ride in this area and I dont see the need for a the streets to be connected. 110th is busy enough as it is we sure dont need more traffic in the area.
Bryna Krentz	Bloomington, MN	2014-07-26	I live in the neighborhood and am concerned about the increase in traffic quantity and speed, as well as noise.
Mary Pearson	Flower Mound, TX	2014-07-26	We used to live on Palmer Road, just off Overlook Drive and don't want my past neighbors to have all traffic with this change.
John Martin	Bloomington, MN	2014-07-27	The City Planners in this case are wrong. They will cite public safety concerns for Police and Fire response. It will not hinder emergency response only the turning around of larger fire trucks. How many times are we talking over the course of say ten years? The impact of this road being connected will be a much larger problem for all the reasons listed. Please attend all meetings concerning this project.
Karen Lindemoen	Bloomington, MN	2014-07-28	We don't need any more traffic cutting across our neighborhood. This is a nice private street and has been since I moved here in 1967. Please leave it that way!
Kris Checco	Bloomington, MN	2014-07-28	Opening up Overlook will only dramatically increase traffic resulting in safety issues for those that use the road for other means. Please stop the road!
Elizabeth Convy	Bloomington, MN	2014-07-28	It will diminsh the value of the neighborhood due to an increase in traffic and noise.
Deborah Convy	Bloomington, MN	2014-07-28	This is a single family neighborhood and would change dynamic. It would also destroy local habitat for wildlife.
Angela Noteboom	Eden Prairie, MN	2014-07-28	I grew up on Terracewood drive and I always had a nice quiet non-congested drive home as I drove on Overlook. Let's not change Overlook. I lived in a very quiet neighborhood with no traffic. I would like to see it stay the same. Especially for my parents who are getting older and enjoy their peaceful neighborhood. Thank you
Patrick Mach	Bloomington, MN	2014-07-29	This is not a race track and it already has to many people that like to "run the curves" It will only take on little one that gets hit to forever cloud your legacy Mayor Winstad so stop it now
Ryan McPartland	Eden Prairie, MN	2014-07-29	I grew up in that neighborhood and still have family there. No need for a "shortcut"!
Karen Lindemoen	Minneapolis, MN	2014-07-29	It will affect the housing values and peace and quiet of the neighborhood.
Janice Wege	Bloomington, MN	2014-07-29	Protect children from traffic!
Jennifer Collette	Columbia, MO	2014-07-30	I grew up there and it is hard to imagine

Name	Location	Date	Comment
Connie Brenna	Bloomington, MN	2014-07-30	My neighborhood is quiet & peaceful as it is. Creating a thoroughfare for people who don't live here isn't necessary with a thoroughfare just 4 blocks north on 110th Ave. The wildlife and ecosystem will be negatively impacted. I am opposed to the proposal to connect the East and West sides of Overlook Drive behind Dwan Golf Course.
Kristine Bell	burnsville, MN	2014-07-30	grew up in this neighborhood and would like to keep it the same way!
Julie Bakken-Johnson	Minneapolis, MN	2014-07-30	I lived in Bloomington for 26 years, just blocks from here and loved walking this route and watching the wildlife, it does not need to be connected, the people that live here do not want or need it connected, why waste Bloomingtons money?
Hayden W	Bloomington, MN	2014-07-30	We moved from South Minneapolis to Bloomington a year ago, in the same neighborhood where my mom grew up. Recently she was walking in a parking lot and hit and run by a car incurring severe bodily damage. When mom was a child her dog was hit on Overlook Drive and so was a neighbors. I would be afraid if this road changed now! Imagine what would happen on this busy road to people walking if my mom was hit and severely damaged by a slow moving car!! PLEASE, STOP THE ROAD!!
Zachary Finer	Chicago, IL	2014-07-30	This is in my childhood neighborhood - I can't imagine the traffic being as safe for walking along this route if this change were to be implemented!!:(
Patricia Simonds	Bloomington, MN	2014-07-30	Property value of our homes, increased traffic and reduced safety. It does not need to be connected. Why create a thoroughfare for people who don't live here and isn't necessary?
Sara Roberts	Bloomington, MN	2014-07-30	Because I am raising my children in this quiet neighborhood.
Amanda Laffrenzen	Bloomington, MN	2014-07-30	I love the Quietness of the road. I belive that it could lower home values in the Area. Also could be harmfull to wildlife coming up from the river bottom.
Eric Olund	bloomington, MN	2014-07-30	It would increase traffic in the area.
Tanya Reader	Minneapolis, MN	2014-07-31	No good reason for connection. You will create a better new housing development, and preserve the neighborhoods on both sides of Dwan, by building a cul-de-sac instead of a connection. I can't think of anyone who will benefit from the connection.
Marcus Hanson	Bloomington, MN	2014-07-31	Property value, wildlife and safety.
Becky Supplee	St Louis Park, MN	2014-07-31	Former resident of 11525 Palmer Circle.
Darcy DeGonda	Bloomington, MN	2014-07-31	I have lived here for 32 years and enjoy the current tranquility and do not believe the proposal is worth the benefits and expense.
Rick Parsons	Minneapolis, MN	2014-07-31	Bloomington doesn't need anymore high traffic streets that accomodate mostly people from outside the city.
Chris Oster	Lakeville MN, MN	2014-07-31	I grew up on Overlook Circle. Would hate to see this beautiful area turned into just another busy thoroughfare.
Kathleen Perkins	Vloomington, MN	2014-07-31	I see no benefit to ANYONE or ANY 'Thing' if this connection was to move forward.
DAVID BERGREN	Bloomington, MN	2014-07-31	I live here
Catherine Barkow	Bloomington, MN	2014-07-31	I can't see any reason why this connection is necessary. 110th is perfectly suited to handle the traffic to and from Normandale Blvd. I feel this connection would increase traffic in an otherwise quiet area. Being a resident of this neighborhood, I greatly appreciate being able to safely take a walk and feel my children are safe when playing outside. I do not want this connection.

Name	Location	Date	Comment
Nancy Rose Pribyl	Bloomington, MN	2014-07-31	I think it is important for a city to listen to the wishes of the current residents (taxpayers) who chose to live in a community based upon the existing conditions, Since we are an area without sidewalks it seems that the health and safety of residents using these streets to access the path along Nine Mile Creek (a community amenity which drew people to the area) and walking pets or biking with children need to be taken into account. Where does this plan fit into the community development plan for this area? I understand increased density in areas such as Penn and American Blvd. where no dramatic change in infrastructure is needed. Changing the character and safety of a family
SUSAN ARATA	Bloomington, MN	2014-07-31	oriented community requires further debate and resident review.  I LIKE our quiet streets; one of the MAIN reason I like living in Blmgtn! I don't WANT another busy thoroughfare to enhance congestion & overuse of our neighborhood lanes!
Julie Morse	Bloomington, MN	2014-07-31	
Liz Stanley	Bloomington, MN	2014-07-31	We chose this location because it is a quiet area, the same reasons many others here indicate. We saw a "Save Overlook Drive" sign in the neighborhood, otherwise we had no idea this was planned. Thanks for bringing this to our attention!
Todd Braun	Bloomington, MN	2014-07-31	My children hang out in this area and it would be a shame if they did this.
Richard Hawkinson	Richfield, MN	2014-08-01	My granfpdkids would be endangered in their own front yard by all the additional traffic. Bad Idea!!
Elizabeth Pribyl	Bloomginton, MN	2014-08-01	This adjustment will greatly increase traffic near my home and I feel it is unnecessary compared to other projects that should be worked on in the area.
Julie Humenik	Bloomington, MN	2014-08-01	I love having a nice quiet street where my 15 year old son with autism and I can go for walks and bike rides without a lot of traffic to worry about. I am sure many of the neighbors would recognize Josh and his awesome blue adult trike from our countless bike rides together, trying to learn road safety.
Jason Schwartz	Bloomington, MN	2014-08-01	completely unnecessary, a duplication of 110th st
Theresa Smith	Lakeville, MN	2014-08-01	Love the tranquility of the area - always have!
Dale Johnson	Bloomington, MN	2014-08-01	Because I walk this road almost everyday, it's nice, quiet road to walk on. I don't also want to see a road to yet more condo development especially in single family neighborhoods. Let's stop this lusting for more and more of development. Dale J.
Joe Roffers	Bloomington, MN	2014-08-02	I live off 106th street - the non resident traffic already has made this "neighborhood" street a major thouroghfare - address the existing freeway deficiencies in Bloomington - don't continue to create the same problems in our neighborhoods.
Julie Fling	Bloomington, MN	2014-08-02	Creating a throughway is NOT progress. It's regression. Please keep our section of the city peaceful, quiet, & safe - the main reasons we all bought here in the first place.
Sharon Ojile	Richfield, MN	2014-08-02	Less traffic, less safety concerns for the Overlook Drive neighborhoods. Keep our children and grandchildren safe!!

Name	Location	Date	Comment
Dave Miller	Bloomington, MN	2014-08-02	Some of that rush hour traffic on Old Shakopee and 106th will divert to Auto Club and Overlook especially when it's backed up, so traffic will increase more than you think in the morning and evening! If emergency access is the issue, build the new road with a turn-around at its west end AND build a short single lane connector to western Overlook with barriers which only authorized vehicles, bicycles and pedestrians can pass through. It could be opened automatically in the same way police and fire control traffic signals. Problem solved.
gary bergeson	bloomington, MN	2014-08-02	Preserve the peace and tranquility of our streets and neighborhoods.
Cathie Morey	Bloomington, MN	2014-08-03	We have enough busy streets in Bloomington already. Let's keep the peacefulness that now exists on Overlook Drive. Making Overlook Drive into a through street would take away from what makes this whole area in Bloomington so special.
Carrie Wellons	Minneapolis, MN	2014-08-03	Redevelopment for safety reasons sounds fishy. This is a nice, quiet, neighborhood with a country feel in the heart of a great city, why destroy a good thing. That isn't progress, it's short-sighted ness.
Mildred Santiago	Bloomington, MN	2014-08-03	Want to preserve wild life and bird sanctuaries.
Jessica Convy	Bloomington, MN	2014-08-03	Attention Bloomington residents and supporters of opposing overlook connection: there is a scheduled meeting on August 7 at 6pm at creek side center to discuss the overlook development. Show up in force to voice your disdain for this projectwe defeated the Target developmentwe can stop this too!
Joel Baker	Minneapolis, MN	2014-08-03	Traffic would be too heavy. A new road would ruin the quiet solitude of the area.
Jerry Childers	Bloomington, MN	2014-08-03	I do not believe old Shakopee need another bypass route, I will vote all who agree with this out of office and make sure I support the other candidate. Thank you
Laurie Koechlein	Bloomington, MN	2014-08-04	I have lived on Overlook just west of France for 22 years and would hate to see traffic volume and speed increase while property values decrease. Many of us chose this neighborhood because of the quiet streets. Please don't take that away from us.
			Please give serious consideration to making the new development a cul-de-sac instead of making a through street where there was never intended to be one.
			I am also concerned that the city has tried to sneak this in with no notice to homeowners whose properties will be affected. When they re-surfaced and changed the striping of the lanes we were informed. Why were we not given notice of this very significant proposed change to our neighborhood?? I only learned of the proposal when other citizens alerted me.
john bergin	Bloomington, MN	2014-08-04	Safe streets
Charla Cary	St Anthony, MN	2014-08-04	I have family that lives in the area and am concerned about increased traffic.
Sara Swanson	Bloomington, MN	2014-08-04	With both 110th Street and Old Shakopee Rd. just blocks away, there is no need to dramatically impact the safety and tranquility of our southern Bloomington neighborhoods!
Stacy Solberg	Farmington, MN	2014-08-04	my young nephews live there and I am worried about their safety

Name	Location	Date	Comment
Elizabeth Wiencke	Bloomington, MN	2014-08-05	My husband and I have lived on this quiet street for almost 30 years and we moved here at that time to get off of 106th Street as it became a mini freeway to 35W. We have enjoyed these years of peace and tranquility since 1985 with our children and now our grandchild. We have been residents of Bloomington for 45 years. Please let us enjoy several more years without additional traffic.
Patti Polland	bloomington, MN	2014-08-05	This is a quiet neighborhood not a thoroughfare. We need to maintain the quietness and safety for our families.
sue wolf	Bloomington, MN	2014-08-05	neighborhood preservation
Jodi Vucinovich	Independence, MN	2014-08-05	My nephews/brother & sister in-law live one house off that street.
Justin Vucinovich	Independence, MN	2014-08-05	My brother lives one house off of Overlook.
Jeanine Radtke	Minneapolis, MN	2014-08-05	Quiet neighborhoods are a main reason peo
Lawrence Giles	Bloomington, MN	2014-08-05	Commuters will use this development to short cut over to 35W. This is already occurring on 110th street!
Jay Fuller	Sioux City, IA	2014-08-06	I grew up on Overlook. That road goes through a residential neighborhood.  Traffic would increase & make it unsafe for families with little kids! I also want to move back into that area. This would cause me to reconsider that option!
David Vozka	Bloomington, MN	2014-08-06	Today, the neighborhoods along Overlook Drive are quiet, serene and safe. The increase in traffic will change these neighborhoods forever. The uniqueness of seeing turkeys, deer and fox walking down the street will be replaced by commuters and other transients looking for a shortcut to 35W. The proposed solution of a single cul de sac would be the safest and best result for all.
Rowan Eilis	Hopkins, MN	2014-08-06	I loved being able to bike there, it was so peaceful
Mark Wallace	Bloomington, MN	2014-08-06	We bought in this neighborhood to enjoy the proximity of the natural areas and the relatively quite setting. Making Overlook into another way for people to get around traffic issues on other roads and just create more traffic issues in what was a quiet neighborhood, will be detrimental to our neighborhood, our quality of life and our property values.
Justin Wallace	Bloomington, MN	2014-08-06	I grew up in this neighborhood, and I want to keep the area as quiet, tranquil, and as unpolluted (both by noise and exhaust) as possible.
Judie Dale	Bloomington, MN	2014-08-06	I want to preserve the integrity of my neighborhood.
Jean M. Dairymple	Edina, MN	2014-08-06	I lived on Overlook Drive for over 40 years. The proposed changes will detract from the pleasant livability it now has.
Jane Olson	Bloomington, MN	2014-08-08	I want to keep my area quiet for my children to appreciate why I moved to my home. I love the wildlife and the peace it all brings. I want to keep my home value up.
: Sue Miller	Farmington, MN	2014-08-08	I grew up here.We didn't need. a thru road then and we don't need it now!
Adam Kaster	Bloomington, MN	2014-08-08	Don't want thru traffic in residential neighborhood.
john frein	bloomington, MN	2014-08-08	We enjoy the current nature of our neighborhood(s) adjacent to this proposed transient route. There are other existing routes commuters can use to link with 35W.

Jessica Convy	Bloomington, MN	2014-08-08	Even if your house isn't directly in the path of the proposed connection, this will have an affect on your home too. It will still increase traffic through your neighborhoods. Email all council members and the mayor and let them know that we will all make a concerted effort to vote them out if they vote yes to this proposal! If this connection takes place it might be all the motivation Target needs to resubmit their plans. Do your part!!!!!
Tom Spear	Bloomington, MN	2014-08-09	We live half a block from Overlook. We bought our home because of the quiet residential area. We walk along Overlook and worry about the safety of our neighborhood with heavy traffic.
judy mjoness	bloomington, MN	2014-08-09	our area is not meant to be a thoroughfarethere are children and bikers and walkers. hwy 100, 494 are available.
peg ballentine	Bloomington, MN	2014-08-10	Doesn't personally affect us but I feel it's just wrong. People who purchased their homes on the two dead end sections of Overlook, overlooking the river, paid dearly for a lot on a quiet dead end street.
todd peterson	bloomington, MN	2014-08-10	preserve the few quiet,rustic,serene streets.
Betty jo heldt	Bloomington, MN	2014-08-10	Always honor the deceased's wishes
Michelle La Beau	Bloomington, MN	2014-08-10	It is a nice quite river valley road in which i live one block off of. Many people walk and bike the road. Many animals cross the road. Too many cars speed along the road as it is. We do not need/want heavy traffic along the river valley. 35W is East of the connection there is no need to add another route to 35W that is in the opposite direction of 35W. Keep the quiet ambiance!
Scott Alberg	Bloomington, MN	2014-08-10	Less traffic equals less crime. The argument that the connection is needed for safety issues is bureaucratic nonsense. It hasn't been a safety requirement in all the years the current roads have bee in existence.
Phil and Christy Caspers	Bloomington, MN	2014-08-10	We need to honor the donor and preserve the quiet of these streets!
Marsyl Caspersen	Bloomington, MN	2014-08-10	This is a peaceful residential street, and this would add too much traffic and noise
Dave Parrish	Eagan, MN	2014-08-10	Parents live on Palmer Rd. and we appreciate the quiet of the area where they've lived the last 45 years
Peter Thiele	San Antonio, TX	2014-08-11	Overlook Drive has been a quiet part of Bloomington for years. Let's keep Overlook Drive wonderfully secluded.
